LADY MACCABEES TO HOLD CONVENTION; HAPPENINGS AMONG SECRET SOCIETIES

One of the most important events scheduled for May among the secret societies is the State Convention of the Ladies of the Maccabees, which will be held in St. Louis May 10. The lady commanders of the twenty-five divisions of St. Louis are busy making preparations, and have appointed a Reception Committee, of which Lady McAlpin is chairman.

Mrs. McAlpin has almost perfected arrangements for an informal reception, which will be given at the Hamilton Hotel, Hamilton and Maple avenues, on the evening of May 8. It is expected that more than 1,000 guests will be present. Among the distinguished guests will be Mrs. Lillian M. Hollister, the supreme commander, and Miss Nina M. West, supreme record keeper.

The banquet arranged to close the convention will be one of the most important functions ever given under the auspices of the order, the members' assemblage. Supreme officers and delegates will be the guests of honor, and covers will be laid for 300 persons. Mrs. May A. C. Baskin will act as toastmistress, and the committee in charge is making arrangements to have responses made by some of the best orators in St. Louis.

Through the efforts of the Ladies of the Maccabees, the order in Missouri now ranks second in increase in membership, New York being first. The organization now has 8,000 members in the State. The society is one of the largest and most substantial women's fraternal insurance organizations in existence.

Progressive Hives will have a rag-carpet party May 3. Ad Astra Hives will give a reception and dance at Hart's Hall Thursday evening. At the last meeting three candidates were received.
